Dear Mr. Wood

It is with regret and a little sadness that I must resign my position on the Eastside Improvement Committee board. After serving on the board for only a year I still feel, maybe more than ever, the need for an active and tenacious membership.

I was aware of my commitments with two local charitable organizations in particular when I became interested in being on the board, but as a property owner, and a concerned citizen, I wanted very much to help make a difference. I have eight grandchildren and a busy family life, which I find I'm trying to juggle in between those other obligations, and I just don't have the time and flexibility to make it work.

Thank you for giving me the opportunity to have worked with you. Your department and the Eastside Improvement Committee have a vital mission that I still wholeheartedly support.

Respectfully yours

Sandi Alderson
